BAYLOR MOAS AT ESMOAS

Last month, on November 13-15, 2014, the Baylor Model Organization of American States (MOAS) team hosted 15 universities from Texas, Louisiana, and Mexico to debate policies in the Western Hemisphere. Teams were judged on the quality of their position papers and resolutions as well as their command of Parliamentary Procedures, debating and diplomacy, and teamwork. At the ESMOAS Baylor represented the countries of Colombia and Ecuador. The Ecuador team won the Outstanding Delegation Award while the Colombia team won the Distinguished Delegation and Best Position Paper Awards. Pia Lawrence was President of this year's model and chaired the General Committee. Lauren Lee served as the Secretary General and chaired the Executive Secretariat for Integral Development. This committee was awarded Outstanding Committee. Baylor members Lauren Lee, Florence Francis, Ewan Hamilton-Short, Bonnie Cantwell, Katie McAfee, Andrew Salinas, Sean Browning, Rustin Bridges, Kelsey Shelton, Jillian Anderson, and Richard Horace all won awards, while Joan Stanton was chosen as Parliamentarian for next year's model and Mucia Flores was elected as Secretary General for the 2015 model.
